

MONTANA'S WORKFORCE DEVELOPMENT SYSTEM IS HERE TO HELP YOU!

Montana Department of Labor & Industry

- **Research & Analysis unit (the LMI folks):** we maintain high quality labor market and career information and can help you understand how market conditions affect your business.
- **Job Service Montana:** we work with communities and businesses to develop and maintain a highly skilled, employment-ready workforce that supports local business communities.
- **Montana's Registered Apprenticeship Program:** we help businesses develop a customized training program proven to increase retention rates and produce skilled employees trained your way.

MT Department of Public Health & Human Services

- **Montana Vocational Rehabilitation and Blind Services :** we help employers meet their employment needs by maximizing access to in-demand occupations for Montanans with disabilities.

Skilled Employees - Thriving Businesses - Strong Community
