Re: Request for records  
Request Number: 2024-UID-09191

Dear Lori LeBrun:

The Department of Labor & Industry is in receipt of your record request, dated July 15, 2024.

The Department understands you are requesting the following information:

- How many people were approved and received pandemic unemployment during 2020-2021, and out of those individuals how many were asked to pay back money they received from the pandemic unemployment.

The Department does not have a method of tracking this information. The database used for Pandemic Unemployment Assistance does not allow the Department to track this information.

Please contact me if you have any questions.

Sincerely,

/s/ Jennifer Stallkamp
